Having considered the statement and any other matter deemed to be appropriate by the Court, IT IS HEREBY ORDERED that:

**1. DISCOVERY PLAN**

(a) Production of ESI: The parties have exchanged a list of the most likely custodians and databases of relevant electronic materials on January 17, 2014. The parties are currently working on an agreement as to the method of searching, and the words, terms, and phrases to be searched. The parties will also discuss the timing and conditions of any additional searches which may become necessary in the normal course of discovery.
